Who's Who in Pot Mums

BREEZE

BREEZE | FRESH SINGLES

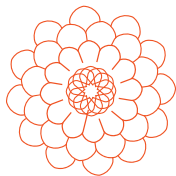

The Breeze series is refreshingly beautiful. This single-flowered series freshens up every interior or exterior space. Sparkling flower colors around a green center, what's not to love? Let Breeze surprise you!

RAINBOW

RAINBOW | PASSIONATE BICOLORS

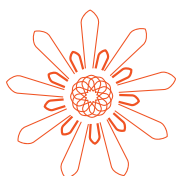

It is no surprise we named this series Rainbow. Like sunshine after rain, this series certainly brightens up your day. This single-flowered series is characterized by the stunningly beautiful bi-color effects wrapped around a fresh green center.

CHRYSTAL

CHRYSTAL | STRONG DECORATIVES

Quality has never been so accessible. The decorative Chrystal series blooms in every climate and is there for you to enjoy. Whatever shelf or growing condition, Chrystal will be filled with petals.

SPLASH

SPLASH | EXCITING SPECIALTIES

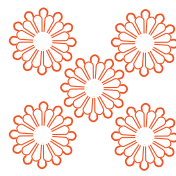

Through years of breeding, we are able to offer you some splashing varieties. This specialty line has very exciting options to offer with extravagant flower types.

SUNTASTE

SUNTASTE | MAXIMUM PERFORMANCE

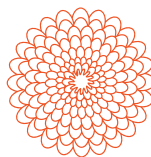

These stunning pot mums feature vibrant anemone-type blooms in a variety of eye-catching colors. Grown with care for maximum performance, Suntaste offers exceptional shelf life.

SWIFTY

SWIFTY | MINI FLOWERS

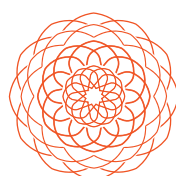

Swifty is a must-have! This series is characterized by its mini sized flowers. That doesn't mean less to enjoy; all Swifty varieties have great branching qualities and thus are full of flowers. Swifty will definitely make you smile!

GEMPOP

GEMPOP | FLOWERS THAT POP

The GemPop series impresses with many decorative mini flowers with very even branching and intensely bright colors. Yellow, red, purple, and white, all the main colors are available in this family series. Nothing stands in the way of a brilliant appearance at the point of sale.

COSMO

COSMO | CLASSIC DISBUDS

All varieties in this series have large, beautifully incurved flowers with endless petals. On top of that, they are easy to grow and require little growth regulators. Be inspired by these classical beauties!

Combine varieties to mix and match different color schemes for endless possibilities. These varieties are selected based on response time and growth to give you the best combinations for success.
